

tesa® Professional 4319

Strongly creped paper masking tape for paint work and packaging purposes

tesa® 4319 is a heavily creped and supple paper masking tape with outstanding adhesive strength – even on rough surfaces. The masking tape has a large expansion reserve and is capable of masking even extreme corners. The masking tape resists temperatures of up to 60 °C, is simple to handle, easy to tear by hand and a valuable aid for challenging paint jobs of all kinds.

Main Application

- Masking during lacquering and painting work * For under body repair and extreme curves * Rapid, reliable masking off, even on rough surfaces * Sealing and bundling

Additional Information

Recommendation:

Stretching the crêped backing guarantees evenly defined paint edges and a good adhesion.
